ACCOMPLISHMENTS

- *Thousands placed in Technical positions*
- *Hundreds of future Vehicles built*
- *Multiple Veteran Development Programs (Hundreds placed)*
 - *Placing returning Veterans in positions that provide short-term value and long-term sustainability*
- *Veterans Administration 2017-2020— Compensated Workforce Therapy Certificate of Appreciation*
- *Silver level Veteran Friendly Employer State of Michigan (2014-2017) for outstanding service for our Veterans*
- *Gold Level Veteran Friendly Employer State of Michigan (2018-2021) for outstanding service, outreach and job creation for our Veterans*
- *2019-20 U.S. Department of Labor - Gold Medallion for creating Veteran employment opportunities*
- *2019 Macomb County Human Services HSCB Award for service to our Veterans*

3/5 AXIS MACHINING

Our services include Small / Large 3 & 5 Axis Machining

3-Axis and 5-Axis Machining up to 40,000lbs.

- (1) Awea 3-Axis Machining Center 157" x 126 x 39" With 90-degree head available
- (1) Promac SHARAV GVT 5-Axis Machining Center up to 47" x 98" x 157"
- (1) Promac SHARAV HGVT 5-Axis Machining Center up to 47" x 98" x 236" (Coming Spring 2022!)
- (1) Large SNK 5-Axis Machining Center, up to 206" x 137" x 59"
- (1) SNK 3-Axis Machining Center, up to 177" X 114" X 55"
- (1) Large CHL 3-Axis Machining Center up to 157" x 102" x 39"
- (1) HAAS 5-Axis High Speed Machining Center, 30" x 20" x 20"
- (4) Small Machining Centers with High-Speed capabilities
- Experience machining a diverse range of materials including:
 - Steel, Cast Iron, Kirksite, Invar, Composites, Aluminum, Clay and Foam
 - CAD/CAM support

We make knowledge a capability...

WELD FABRICATION

Equipment

- Calibrated Tig Weld Machine Dynasty 40
- Calibrated Mig Weld Machine Continuum 35
- Plasma Cutter Lotos LTP5000D
- Drop Saws
- Chop Saw Startrite CF 315M
- Various Tables

Welders Certified to AWS D8.12

AEROSPACE

Prestige Extreme Machining & Manufacturing has all the necessary equipment to develop your Aerospace tooling.

We specialize in:

- Precision Machining & Advanced Manufacturing
- Master Assembly Sub & Final
- Assembly Fixtures
- Check Fixtures
- Facility Tooling
- Mill Fixtures
- Fixtures and Gages
- General Assembly
- Part Inspection and Certification

AUTOMOTIVE

Offering a full complement of World Class Manufacturing and product development services:

We specialized in

- Machining Molds and Dies (steel, stainless, aluminum, etc.)
- Short run Production Machining
- Prototype Parts
- General Assembly
- Checking Fixtures
- Foam Modeling
- Weld and Fabrication
- Detail Machining
- Part Inspection and Certification

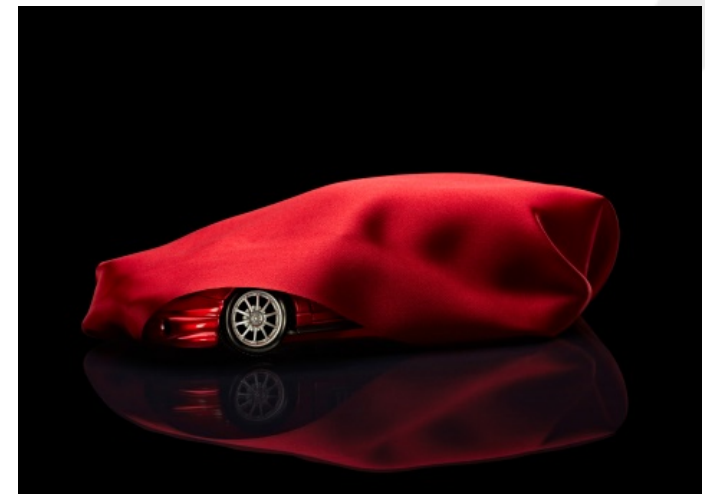

ADVANCED VEHICLE FABRICATION

The portfolio includes Production Representative Vehicles, Advanced Proprietary Properties, Commercial / Industrial Equipment, Modules, and Components.

Our development team can work from Math Data, Drawings, Illustrations and even Napkins for:

- One off scale or full-size models
- Prototype interior and exterior
- Autonomous Vehicles
- Advanced Technology Platforms (Electric / CNG)
- Lighting Modules
- Seating Bucks
- Aerodynamic and acoustical (wind tunnel) models (full size or scale)
- Commercial and Industrial Products from Living room to Show room

Prestige is where you want your next product developed! Contact us to explore your options...

QUALITY

- **Calibrated Equipment**

- FARO Laser Tracker Vantage E
- Faro Quantum S PCMM
- Micrometers, Calipers, Gauge pins / Blocks, Profilometer are a few of our mechanical tools.
- Mitutoyo 24 " Height Gauge
- All Final QA buyoff tooling is calibrated on a yearly basis.

American Systems Registrar, LLC, a provider of third-party system registration and accredited by the ANSI National Accreditation Board under the Aerospace Registration Management Program, in accordance with SAE AS9104/1 (2012-01), attests that:

PRESTIGE EXTREME MACHINING AND MANUFACTURING

**24700 CAPITOL BLVD.
CLINTON TOWNSHIP, MI 48036**

with a scope of:

***MACHINING AND MANUFACTURING FOR COMMERCIAL,
AUTOMOTIVE, AEROSPACE, SPACE AND DEFENSE
INDUSTRIES***

has established a quality management system that is in conformance with the International Quality System Standard

AS9100D & ISO 9001:2015

ASR Certificate Number:	8065
Certificate Structure:	Single Site
Date of Certification:	July 27, 2020
Date of Certification Expiration:	July 26, 2023
Date of Initial Registration:	July 27, 2020
Revision:	1
Re-Issue Date:	October 7, 2020

ADDITIONAL PRESTIGE GROUP CAPABILITIES

Six Companies, One Vision, Your Product

The Prestige Group has been supporting industry since 1998. Our family of companies include:

- ***Prestige Engineering*** *Staffing, Veteran Programs, CAD Design (NX / CATIA)*
- ***Prestige Advanced*** *Interior/Exterior Concept, Full Vehicle Creation, CNC Mills, 5 Axis Router, 3D printing*
- ***Prestige Warehouse and Assembly*** *Assembly, Warehousing, Sequencing, Service Parts, Distribution*
- ***Prestige Sorting*** *Material Sorting, Inspection, Containment, Liaisons, Part Re-work*
- ***Prestige Extreme Distribution*** *Automated Cribs, Cutting Tools and Industrial Supplies*
- ***Prestige Extreme Machining and Manufacturing*** *24 CNC mills capable of milling small to very large projects*

The Prestige Group has the expertise, experience and integrity to assist you with all your development needs and a demonstrated commitment to excellence.
